Business Meeting

Just a few points of interest from the meeting:

Treasurer's report: Dues all in, the Christmas lunch all settled but we are a bit over budget on guest meals.

Our special Projects budget was \$2500 of which we had spent \$1000. By the end of the meeting we had blown the rest.

The Police Chief and the Fire Chief were both made honorary members to recognize our close association with each in our community activities.

Bike Auction:

Keith reported that the rate of bike recoveries by the police had thankfully declined considerably from the rate of three per week before Christmas.

The issue of the impending loss of our short term storage (possibly very soon) and long term storage at Kullberg's was discussed again. **Does anyone have a lead on where we could place some (maybe three) Sea Can (piggy back rail car containers) to use for storage? We need a reasonably convenient location since access must be convenient for the police and for us.**

Community and Youth:

John reported there were three requests under review. One had just been approved to YAC.

Kar Derby:

The City permit has been applied for, posters are being printed to go out with the Winter Fair posters and promotion is being set up through the WCG wave channel to promote selling kits.

Rideau Park Pavilion Project:

If some funds come available, the exterior trim will be done but otherwise it is final.

Join the exciting conversation and repartee at the Kiwanis Koffee Klatches (Monday to Friday morning, 9:30AM at the Chicken Delight on Rosser (except holiday Mondays) and Saturday and on holiday Mondays at McDonald's on Victoria also at 9:30AM)
