## CLUB OF BRANDON

### Brandon Kiwanis Club Bulletin

**Notice:** The membership committee is running another membership drive as was done so successfully last year. Our next meeting, the Nov 5<sup>th</sup> meeting, is the membership drive meeting with prospective new members in attendance. The lunch will be \$15 for our ongoing members.

*Sorry for missing a few meetings.* I was away admiring the beauty of the fall leaves in Southern Ontario and attending a re-union with University friends at Western after 55 years since my B.Sc. and 50 Years since my Ph.D. Below is the Thames River through London, Ontario with the fall colours.

## Business Meeting of October 29th, 2019

A brief point form summary of the business items:

### Committee reports

----- **Membership** reported on the upcoming membership drive for next meeting

----- **Kar Derby** reported on interest in Kar kits. A 4H club is interested in building several Kars. Rideau street has been repaved so the next race should be on smooth road.

-----**Bike auction.** There are 212 bikes in stock right now. There has been very good feedback on the MiniU bike repair camp and with whatever modification is necessary it will probably go again next year. Some of our surplus bikes have been sent to the WRENCH project in Winnipeg.

A major hurdle for the Bike Auction is the potential to have to abandon the short term (one month) storage facility at the empty People Market Place. And the presumed loss within a year perhaps of the Kulberg's longer term storage location.

-----**Pavilion Project.** The Tyndalstone covering of the lower pillars is now completed (see picture below).

-----**Treasurer's report.** This was just a point-by-point discussion of the proposed budget for the new year with amendments being suggested from the floor.

A motion was passed to give a one-time contribution of \$1000 to the Sea Cadets. They receive no government support for their program. A few weeks ago they had made a presentation on their program.

I missed a great talk on Orton's life while I was away (sorry Orton) and for those who have not been out to the Pavilion site, the stonework on the pillars is now finished.

Join the exciting conversation and repartee at the Kiwanis Koffee Klatches (Monday to Friday morning, 9:30AM at the Chicken Delight on Rosser (except holiday Mondays) and Saturday and on holiday Mondays at McDonald's on Victoria also at 9:30AM)
