CLUB OF BRANDON

Brandon Kiwanis Club Bulletin

Special Note about the next meeting venue: The next meeting speaker is from Enbridge. We cannot have the Louis Riel room and the small meeting rooms are deemed too small for the presentation so the University has moved us to the Down Under.

Second note: The Christmas party is scheduled for Tuesday Dec 11 at noon. Hugh is collecting the names of those who plan to attend and \$20 per person.

And yet a third note: Crane Steel Structures says they plan to have a crew on the Rideau Pavilion site to begin erection of the structure this coming Tuesday.

Oct 23, 2018 recruiting

This was the second of our special membership drive meetings. Along with our own members, there were eight guests that we hope will consider membership in our club. It was a pleasure to show off the companionship of our members and talk about the club's history and accomplishments.

Oct 30, 2018 Business Meeting

The first major order of business was to induct two new members to the club. Ken Delbridge and Wayne Digby were inducted (to great applause). Norm Brown was in attendance and is to be inducted next week I believe.

The rest of the meeting was devoted to a review of the draft budget for next year. Reg Atkinson showed his initial proposal based on previous years and adjusted the draft on the fly as the discussion brought up possible changes.
